

Lemans

home theater seat

Achieve home theater perfection with the HCM Lemans Home Theater seat with its functional versatility and understated beauty. Featuring a space saving design, place this seat almost flush to any wall while maintaining a full recline. Whether you use the standard in arm storage compartment for your different accessories or add on the optional swivel tray table or tablet holder, the storage configurations and options for the Lemans are endless.

View your favorite programs or movies in complete comfort in part to the firm and supportive automotive inspired lumbar design as well as extendable pop up head rest. Turn up the excitement and have the optional wireless bass shaker installed and feel all the action firsthand. Round out your new theater seating configuration with the optional blue LED lighted cupholder and baserail to add a soft glow and sublime lighting to your home theater.

Choose from a variety of colours and materials.

How We Measure

Height - measured from the highest point of the back pillow to the floor.

Depth - measured from the front edge of the seat cushion to the top of the back.

Width - measured from the widest point of the arm or arm pillow to the widest point of the opposite arm or arm pillow.

Arm Height - measured from the top of the arm to the floor.

Seat Height - measured from the crown of the seat cushion to the floor.

For leather options see the upholstery sheet
